RE: ER05-633 East Delhi Road Bridge, Section 2, T2S, R5E, Scio Township, Washtenaw
County (FHWA)

Dear Ms. Slattery:

We have received your request for a determination of eligibility (DOE) for the East Delhi Road Bridge. Based on the information provided for our review, the State Historic Preservation Officer (SHPO) concurs with the determination that the East Delhi Road Bridge appears to meet the criteria for listing in the National Register of Historic Places under Criterion C: Engineering, as one of only the few surviving late nineteenth-century pin-connected Pratt through truss highway bridge of wrought iron construction in Michigan.

If you have any questions, please contact Martha MacFarlane Faes, Environmental Review Coordinator, at (517) 335-2721 or by email at ER@michigan.gov. **Please reference our project number in all communication with this office regarding this undertaking.** Thank you for this opportunity to review and comment, and for your cooperation.

Sincerely,

Brian D. Conway
State Historic Preservation Officer
